SAN JOSE, CALIFORNIA, MONDAY, FEB. 4, 1952

No. 81

MARTY DARROW, Kappa Kappa Gamma, was named Theta Chi Dream Girl of 1952 at a formal dance held Saturday night at the Devonshire Country club in San Carlos. The Dream Girl contest was the third annual function sponsored by Theta Chi.

Marty Darrow Chosen Theta Chi Dream Girl

Lovely Marty Darrow wore the orchid crown of Theta Chi Dream Girl of 1952 at a formal dance held in her honor Saturday evening at the Devonshire Country club in San Carlos.

The auburn haired beauty received her honor crown and a kiss from Ray Yonce, fraternity president, at the coronation ceremonies.

Juniors Revise Constitution

Recent changes in the junior class constitution have been released by Alice Dougherty, class representative to the Student Council.

Article 4, Section 3 of the constitution now reads: To be eligible for any class office, or representative, the candidate must fulfill the specifications as provided in the Associated Students' Constitution.

In the by-laws, Article 1, Section 1, Clause F has been added, and requires the president "To appoint members to special committees when authorized by the class council."

Another change regards Article 3, Section 4 of the by-laws: A vacancy in the position of class representative to the Student Council shall be filled by a two-thirds vote of those present and voting.

Junior class council members will vote on the revisions at the next class meeting, Miss Dougherty said.

Boxing Tickets

Students who are planning to attend the SJS-University of Minnesota boxing matches tomorrow night in the men's gym are warned by the Graduate Manager's office that there are only a limited number of student tickets left.

Student Union Hopes Depend On Legislature

Commenting on recent proposals regarding a new student union, E. S. Thompson, college business manager, said much will depend on the state legislature's attitude toward such a project.

Thompson said that "\$350,000 was necessary even to begin planning for a new student union. And the legislators might take a dim view of appropriating a large sum of money for what they might consider, at present, an 'unessential' building."

Thompson estimated the total cost of such a structure, at present material and labor prices, at approximately a million and one-half dollars.

"Should the \$350,000 be made available," he said, "we could probably finance the remainder by bonds to be repaid over a period of 30 to 40 years."

Thompson stated there was about \$40,000 in the college's present building fund. This might be increased, he stated, by drawing upon the yearly student body fee paid by undergraduates, if such a plan should prove satisfactory to everyone concerned.

He also hinted at another method of swelling the building fund. This would involve diverting leftover money from student body fees into a student union fund at the end of each year.

Anderson Suggests Alviso Flood Basin

In regard to a U. P. news release, which disclosed that a recommendation has been made to evacuate Alviso and construct a flood basin there, Dr. Ralph J. Smith, chairman of a 1949 Santa Clara flood control advisory group said:

"This situation points up the fact that the planning (in Santa Clara county) during the past ten years has been based upon dry seasons."

"We really haven't had any wet weather yet," he explained.

This recommendation that Alviso be deserted and made into a flood basin highlighted a state hearing on Santa Clara county flood problems in Sacramento Friday.

J. D. Anderson, Santa Clara county manager who made this suggestion said, "This recommendation may come as a shock to the residents."

Anderson was a member of a delegation led by Palo Alto City Manager Jerry Keithley, who outlined the serious damage done by last month's floods and asked the State Water Resources board how best to proceed to correct the situation.

UP ROUNDUP

WASHINGTON, D.C. — The Army Friday estimated enemy casualties in Korea from the beginning of the war to Jan. 25 at about 1,601,000.

This is an increase of about 32,000 since the last estimate on Jan. 3.

Reds Ridicule U. S. Navy
Moscow — The grounding of the United States battleships Missouri and Wisconsin in American waters in 1950 and 1951 showed the incompetence and inefficiency of the American Navy, Red Fleet, organ of the Soviet Navy, said recently.

McCarthy Will Not Sue
WASHINGTON, D.C. — Senator Joseph R. McCarthy said Friday he doesn't "have time" to sue President Truman for slander.

Group Designates Blood Drive Site

Commencing today, headquarters for the duration of the college blood drive, which ends Feb. 15, will be located in the Student Union. The campus center will be open from 9:30 a.m. until 4:30 p.m. Monday through Friday.

The headquarters will be staffed by members of Spartan Spears and Alpha Phi Omega. The campus center will receive pledge cards, schedule appointments, record donations, tabulate records and issue other information pertaining to the blood drive.

Tom Evans, blood campaign chairman, urges students to give blood now at the San Jose Blood Center since all donations will be included in the college drive record. "It is a good idea to phone down and let them know you're coming—especially if a large group is going together," he said.

He stated that the San Jose Center, which is located at 440 N. First street, is closed all day Saturday, Sunday and Monday. The open hours on Tuesday, Wednesday and Thursday are 11 a.m. to 5:15 p.m., except from 1-2 p.m. when it closes for the lunch hour. On Fridays, the office is open from 1 p.m. to 7 p.m., except between 3 and 4 p.m., he said.

Students will give talks in most of the college's 9:30 a.m. classes today and tomorrow to make an appeal for blood donors. Each student aiding in this work will have sign-up cards upon which the donating students will fill out their names and other information.

Miss Margaret Twombly, director of the Student Health service, said Friday that all the students who have gone into the Health office for checkups to be examined to learn whether they are physically able to donate blood appear to be very enthusiastic to give. She said these students feel that it is their duty to help the fighting men in Korea.

Approximately 30 Spartans have signed for these checkups, she stated. Prior to Friday afternoon only four students have been advised not to give at this time, Miss Twombly related. She believes that there will be a greater influx of students to apply for these blood tests as the Feb. 14 and 15 donation days draw nearer.

The hours, which have been set aside for this purpose, are from 9 to 11 o'clock on Tuesday mornings, and from 1 to 3:30 o'clock on Friday afternoons.

The fine supporting performances of Mary Haugum as the Comtesse and Stanley Schwimmer as Mr. Venables buttressed the starring roles nicely. Ruth Dougherty made her interpretation of Lady Sybil the epitome of all English aristocrats, and Bill Resch, Eugene Share and Laurence Sherrill brought to the Wylie family a human and lively touch.

J. Wendell Johnson's sets were striking in their realism and attention to detail, as were the costumes of Bernice Prisk.

"What Every Woman Knows" is obviously one of those plays that can be either miserable or fine. Friday night it was fine.

Winning Blood Drive Poster

PROUDLY HOLDING his blood drive poster contest winner is Jack Gangola, senior commercial art major from San Jose. Gangola won the first prize cash award of \$20 for his poster "It's Time—You Gave." Runner-up in the contest was Betty Webster, who was awarded \$10. Joe Maniscalco captured \$5 show money. The top posters will be displayed throughout the campus this week.

Corruption Probe Cycle

Weeding out corruption in government strikes us as falling into a cyclical pattern, occurring regularly every four years, just preceding elections. Just like the harbingers of spring we hear the cry of the probe-bird cawing his raucous refrains in the fetid political breezes. This year, however, we have some new lyrics.

President Truman's leader in the drive against corruption in government, Attorney General J. Howard McGrath, is now being investigated himself, along with the whole Justice Department administration. How long this ring-around-the-rosy will last is anybody's guess but the United States is fast running out of eligible investigators.

Ski Trip Sign-up To End Thursday

Thursday will be the deadline for signing up for the Newman club's proposed ski trip to Heidelberg Lodge at Norden on Feb. 9.

An initial deposit of \$5 must be paid by meeting time Thursday.

Thursday night's meeting of the Newman club will feature preparatory instructions in skiing for the novice.

Former Student Gets Promotion

John LaLond, a former aeronautics maintenance major here, has been promoted to the position of service representative by Hiller Helicopter Incorporated, according to Tom Leonard, assistant professor of aeronautics.

Mr. LaLond was graduated last September and was hired by the Palo Alto firm in October.

Thrust and Parry

Dear Thrust and Parry and ASB 707:

Why aren't there more pictures of half-dressed girls on the front page of the Spartan Daily? It is a disgrace to the fine student paper we have, and to our school. We were deeply enticed when we saw the picture, and we think all normal-thinking students were, too.

The picture appeals only to the best in men, and the caption was very thought-provoking. If the space had to be filled, why couldn't an article from a good magazine, like Pic, Click, Keyhole, Night and Day or some other stimulating periodical have been used?

We have heard the reactions of the other students about the picture.

Please do not publish our names as we do not want our classmates to think we are beasts.

Sincerely yours,
ASB 3958, 247, 2471, 2448,
5479 and 5482.

Three Navy Teams

Spartans Scuttle Sailor Sluggers

By LLOYD BROWN

Spartan varsity boxers and a number of inexperienced reserves sunk sailor teams from Alameda Naval Air Station, Moffett Field, and Treasure Island in Spartan gym Friday night, taking 11 of 18 bouts.

Five TKO's were registered by the Golden Raiders and one by the sailors in the night's fistic exchanges. Ernie Paramo, 112 lbs., scoring with hard right crosses, forced Jerry Fritsch of Alameda to the canvas in the third round, causing Referee Julie Menendez to call the bout. Don Camp, 125 lbs., scored a TKO over Sailor Sammy Rustin in 1:32 of the second round.

Spartans, Cougars Meet Tonight for Wrestling Crown

By DICK DEGNON

It will be a battle between the two state colleges, Washington State and San Jose State, tonight at 7 o'clock in Spartan gym for the championship of the Spartans' first annual wrestling jamboree.

A total of six teams will see action. Coach Bill Tomaras' Cougar grapplers established themselves as the team to beat for the title Friday night as they showed class in every weight division in knocking over Cal Poly, who was only present for one night, San Francisco State, and Santa Clara. Competition with the latter two squads isn't complete but the Pullman mat aggregation already has compiled enough points to insure them a win.

After disposing of Cal Poly, San Francisco State and Santa Clara, Coach Ted Mumby of the Spartans is pointing to the Cougar mat team in tonight's finale. Neither of the two teams have met in competition thus far.

Stanford, with wins over identical squads that the Cougars and Spartans have beaten, rates an outside chance of coping the meet but is already trailing San Jose 28-5 with two matches left.

SET FOR ACTION tomorrow night against Minnesota is tiger-like Jerry Stern, SJS 147 pounder

Spartan Mittmen Host Minnesota's Boxers Tomorrow

Minnesota's Gophers, second Big Ten team to come to San Jose in ten days, will attempt to snap the Spartan boxing team's undefeated string of 21 dual matches when the two potent squads meet in the Men's gym tomorrow night at 8 o'clock.

Led by Captain Neil Ofstun, NCAA 125 lb. champion in 1951, the Midwesterners possess a team which Michigan State Boxing Coach George Makris termed as "very good." Ofstun, who has yet to lose a featherweight match in collegiate dual match competition, will meet rugged Don Camp, who lost a close decision to Ofstun in the semifinals of last year's NCAA tournament.

The only other returning letterman on the Minnesota team is Pete Lee, 147 lb. ace. However, like the Spartan squad, Minnesota has many promising newcomers.

Monday, Feb. 4, 1952

SPARTAN DAILY 3

Another Close Loss!

SF State Gators Edge SJS Quintet, 56-54

By ROY HURLBERT

COW PALACE, SAN FRANCISCO, Feb. 8—Kevin Duggan's 29 points and some perfectly-executed strategy in the closing seconds by Coach Dan Farmer gave San Francisco State a 56-54 upset win over Walt McPherson's Spartans tonight.

Duggan's output was the difference, but it was Gator Guard Al Desin's follow shot with five seconds remaining that clinched the contest and evened the series between the two teams.

Duane Baptiste's bucket put the Spartans in front at 44-42 as the fourth period opened. McPherson's boys stayed ahead until Duggan hit a free throw to make it 54-all with less than a minute to go.

Farmer then called for a stall as his Gators attempted to work in for a shot. Guard Jim Green finally let one fly from 30 feet out with 10 seconds left. He missed, but Desin followed through with the winning basket.

Duggan's 29 points is tops for the Cow Palace this season. The Gators led going into the

second quarter, 12-10, and at the half, 28-20. The free throw line hurt the Spartans again, for they missed 18 out of 28 tries. SF State made 12 out of 17.

George Clark, shaken up in a second quarter collision, scored 18 points. Mort Schorr collected 11, Baptist 9, Lee Jensen 8, Elmer Craig 6, and Lee Deming 2.

Menlo JC, paced by Jim Crane's 20 points, defeated the Spartan Jayvees, 45-43, in a game at Willow Glen.

ROTC Instructor Constructs New College Sign as Project

A new sign with the words, "San Jose State College" inscribed in gold letters on a shellacked, redwood-brown background, soon will be erected at the Fourth and San Fernando streets entrance to the college.

M/Sgt. Vincent W. Staniszewski, an ROTC instructor in charge of supply, is constructing the wooden ensign. It is a project he undertook last quarter while pledging to Alpha Phi Omega under limited student status.

"I expect to have the sign finished by the end of this month," Sergeant Staniszewski stated.

Student Y to Seat Officers at Dinner

Dean of Men Stanley Benz will be the guest speaker at the officer installation banquet of the Student Y Wednesday night at 6 p.m. at the First Congregational church of San Jose.

Members of the Student Y who plan to attend are urged by the Rev. James A. Martin, adviser, to purchase their tickets, which cost 75 cents each, at the Y. They will be available until tomorrow at 12 noon. Members are asked to bring their friends.

Men who would like summer jobs in Yosemite National park as busboys, waiters, and doing other types of resort work should sign up in the Placement office now, according to Mrs. Florence Cardoza, director of part-time employment.

Part-time work for men with cars to do contact work for Santa Clara county can be applied for in the Placement office. These jobs pay \$1.10 per hour plus 7 cents a mile.

A summer position relieving route salesmen during their vacations is available. This job pays \$85 to \$90 a week straight salary plus commission.

Research Director Examines Library

Dr. Robert D. Leigh, former director of the research staff of the Commission on Freedom of the Press, visited the campus last week to look at the college library school. He is conducting a survey on library schools for the University of California.

Dr. Leigh formerly was the president of Bennington college in New York and now is with the Political Science department at Columbia university.

From 1944 to 1946, Dr. Leigh worked with the Commission on Freedom of the Press, which was under the chairmanship of Dr. Robert M. Hutchins, former chancellor of the University of Chicago. This commission published a series of books on press freedom, including freedom in radio, movies and mass communication.

Seniors to Hear Talk on Marriage

"Making Marriage Work" is the subject of Dean J. C. DeVoss' talk to be given tomorrow before the senior orientation class. Mrs. DeVoss will not appear on the program as was previously scheduled, Dr. DeVoss said.

The dean intends to explore the "psychological implications" in the three recognized schemes of family authority; the autocratic, in which someone wields authority; the anarchistic, in which no one does; and the democratic, in which major problems are solved by a maximum of participation from all members.

Extension Service Adds Two Courses

The college extension service, in conjunction with Headquarters Fourth Air Force, will offer a series of two courses in personnel management starting Mar. 12, according to Harold Seyferth, director of extension services.

These courses will offer a total of 60 academic hours of instruction, and Air Force veterans or reservists who want additional Air Force credits can obtain them through these courses.

Classes will be held in a room in the San Jose high school and will be taught by Dr. Joseph B. Cooper, associate professor of psychology here.

Anyone interested in these courses can apply for them through Captain Jacobson, contracting officer for Headquarters Fourth Air Force, at Hamilton Air Force base.

Eta Mu Pi Holds Dinner Meeting

Eta Mu Pi, honorary merchandising fraternity, held its first dinner meeting of the quarter recently at Lucca's cafe in Santa Clara, according to Sid Davidson, publicity manager.

Roger Dean of Borchers Brothers was guest speaker for the affair. Nominations for winter quarter officers were made during the business meeting and elections will be held at the next meeting.

Religious Council To Hold Meeting

Ursula Schindler, social chairman of the College Religious council, announced that there will be a council potluck dinner and a business meeting at 1 p.m. on Feb. 17.

Plans for the Religious Emphasis week, which will be held Mar. 30 to Apr. 4, will be discussed.

Meetings

All Students: Late registrations for the Open Debate tournament will be accepted in Room 156A until 4 p.m. today.

Boxing Ushers: All boxing ushers who want to usher at the Minnesota bouts must sign the sheet in the Men's gym by noon today.

Junior Class Executive Council: Meet today in Room 153 at 11:30 a.m. Everyone must attend.

Open Debate Tournament: Meet today in Room 157 at 4:30 p.m. Meeting for all students registered for Open Debate tournament for special instructions.

Revelries Tryouts: To be held Feb. 12, 13 and 14 in the Morris Dailey auditorium at 7 p.m. Lots of openings in the cast, chorus and stage crew.

Sigma Sigma: Meeting with Hillel tonight at the YMCA at 7:30 o'clock.

Silver Sabers: Members report for La Torre pictures at Butera's studio today.

Sojourners: Meet today in Room 11 at 7:30 p.m. Regular meeting. Masons invited.

Student Teachers for Spring Quarter: Ed. 143-K.P. and G.E.; Ed. 144—Junior High; Ed. 145—Special Secondary; Ed. 245—General Secondary. Sign up immediately in Room 161.

WAA: Fencing cancelled due to inconvenient time. Will be scheduled later.

Exam Deadline To Be Set for Teaching Jobs

Examination deadlines for several teaching positions in junior and senior high schools in the Los Angeles city school districts will be in February and March, according to a bulletin received by the Placement office recently.

Feb. 21 is the deadline to file for positions as teachers of art (general) and art crafts. Examinations for these two positions will be held Mar. 8.

The last date to file for teaching positions in the fields of English and social studies will be Feb. 29, and the exams will be held Mar. 15.

Examinations for teachers of homemaking (general), and mathematics will be held Mar. 22, and the last date to file for these positions is Mar. 7. Further information can be obtained in the Placement office, Room 100.

I.A. Department Plans Open House

Daniel Lopez, instructor of industrial arts, announced recently that the I.A. department, in conjunction with the California Industrial Education association, will hold a department open house on February 14. The purpose is to acquaint teachers, administrators, and counselors of this area with the college's I.A. training program.

Openings Remain For Desert Trek

There are only 20 openings remaining for students who want to make the West Coast Nature school's Death Valley trek Mar. 16-22, Dr. Gertrude Cavins, secretary of the school, announced Friday. Registration may be made in \$100 upon payment of a \$15 tuition fee.

Approximately 180 students registered Friday for the 46th session of the school. Of these, 11 persons previously have made the desert trip, she stated.

The size of the session was increased Friday to make room for 20 extra openings, because that number of students who wanted to make a second journey were expected to sign up, the secretary said.

Junior Prom Site To Be Discussed

The possibility of obtaining Bay Meadows Turf club as a site for the annual Junior Prom will be discussed at today's meeting of the junior class, according to Carol Larson, junior class secretary.

Action also will be taken at the meeting on obtaining a name dance band for the affair.
